

Overview of the HealthElife Dashboard

When you log into HealthElife, you'll see a dashboard with links to all your HealthElife information. There are also links to help you find more information about HealthElife and other relevant services.

1. **The HealthElife logo:** Clicking this logo from any screen in HealthElife takes you back to this Dashboard page.
2. **Dashboard:** Your HealthElife main page, where you view the details of your health record.
3. **Z**
4. **Health Record:** Click to see your test results and other details in your health record.
5. **Appointments:** Click to schedule or view appointments.
6. **Messages:** Here you'll get confirmations for appointments and in the future, messages from your health care team.
7. **Locations:** A link to the list of [Northern Health's hospitals and health care facilities](#).
8. **HealthElife:** A link to the HealthElife webpage, where you can find more details and information on HealthElife. →

Overview of the HealthElife Dashboard *(continued)*

9. **NH Check In:** A link for more information on [NH Check In](#), a tool that lets you check in online to let staff in labs or other facility services know you've arrived for your appointment.
10. **Account Management:** Shows the name of the person who's logged in to HealthElife. Click the three dots (...) to see your details:
 - **Notifications** lets you update your email address (notifications from HealthElife are sent to this email address). This does not change your Login information.
 - **Patient Information** is where you can view your name, address, next of kin, etc.
 - **Access Logs** shows you when you or others who you may be a proxy for previously logged into HealthElife.
 - **Help** gives you HealthElife support information and examples of when you should call for help on your HealthElife account.
 - **Sign out** is used to securely log out of HealthElife
11. **View Appointments:** Shows your upcoming appointments.
12. **COVID-19 Self-Assessment:** A BC-specific [COVID-19 self-check](#).
13. **Check In Online:** A direct link to start the check in process – [track your place in line!](#)
14. **Look Up Health Topics:** A direct link to [HealthLink BC](#) to learn more about what your test results mean, as well as other health topics.
15. **Name:** The name of the person's chart being viewed. If you have proxy access to other people's charts (e.g., your children's or an elderly relative's), this is a dropdown menu to choose which person's chart you want to view.
16. **Allergies:** A list of your known allergies, as recorded at Northern Health's health care facilities.
17. **Vitals:** Your most recently recorded height, weight, temperature, etc.
18. **Info:** See HealthElife's most current privacy policy, its terms of use, your support ID, and a list of frequently asked questions.
